

Your Upcoming Domestic Relocation

Guide and Tips by ASI Movers

Relocating is too often a source of headache.

Our goal :

To provide you a simple **step-by-step guide** as well as useful **advices** in order for you to move within China with a complete peace of mind, thanks to our **10-year experience** in domestic and local relocation.

Who Are We?

ASI Movers is a domestic and international **moving company** which head office is located in Shanghai, and operating as the relocation branch of ASI Group.

We are at the service of **individuals, families and companies**; offering a wide array of solutions - ranging from storage to pet relocation and Fine Art moving - as to **design** an offer in accordance with your needs.

Whether you have to move a **big volume** or a **lighter** one, whether you prefer a **cost-effective** solution or the **velocity** of airfreight, we design with you a built-to-suit offer.

Our vision of relocation ? **A tailor-made service and a dedicated team as to guarantee your peace of mind.**

**Summer is coming ...
Don't waste it packing !**

Your 6-Step Moving Process

- 1. Survey:** We estimate the volume to be moved at your residence, and spot the elements requiring special care. This step is also the occasion for us to meet you and understand your needs.
- 2. Quotation:** Our agent provides you the service proposition & quotation the most in accordance with your needs.
- 3. Decision:** Meet several movers before deciding which partner to choose in order to hold the keys to the wisest decision.
- 4. Packing:** Our teams come to your residence to pack your belongings, ensuring they do not undergo any damage during the moving process.
- 5. Transportation and Follow-up:** Your ASI Movers unique contact person is available during the whole relocation process to answer your questions and provide you a detailed follow-up of your relocation process.
- 6. Delivery and unpacking:** Your belongings are delivered and unpacked in accordance with your indications.

Moving Within China Soon? Don't Forget These 3 Key points

- Don't forget to register to your local police station after you moved to your new home.
- Indicate to our teams the items that will require special care as for us to protect them accordingly before starting moving them.
- Think beforehand about where you want your belongings to be set in your new domicile, as such our teams can dispose them accordingly as for you to move into an already ready home.
