

Your Upcoming International Relocation Guide and Tips by ASI Movers

Relocating is too often a source of headache.

Our goal :

To provide you a simple **step-by-step guide** as well as useful **advices** in order for you to move from or to China with a complete peace of mind, thanks to our **10-year experience** in relocating expats worldwide.

Who Are We?

ASI Movers is a domestic and international **moving company** which head office is located in Shanghai, and operating as the relocation branch of ASI Group.

We are at the service of **individuals, families and companies**; offering a wide array of solutions - ranging from storage to pet relocation and Fine Art moving - as to **design** an offer in accordance with your needs.

Whether you have to move a **big volume** or a **lighter** one, whether you prefer a **cost-effective** solution or the **velocity** of airfreight, we design with you a built-to-suit offer.

Our vision of relocation ? **A tailor-made service and a dedicated team as to guarantee your peace of mind.**

**Summer is coming ...
Don't waste it packing !**

Your 7-Step Moving Process

- 1. Survey:** We estimate the volume to be moved at your residence, and spot the elements requiring special care. This step is also the occasion for us to meet you and understand your needs.
- 2. Quotation:** Our agent provides you the service proposition & quotation the most in accordance with your needs.
- 3. Decision:** Meet several movers before deciding which partner to choose in order to hold the keys to the wisest decision.
- 4. Packing:** Our teams come to your residence to pack your belongings, ensuring they do not undergo any damage during the moving process.
- 5. Customs:** Prior to the customs clearance itself, our teams update you on the process specific to your move and manage it on your behalf.
- 6. Transportation and Follow-up:** ASI Movers provides you weekly updates and remains at your disposal during the whole process.
- 7. Delivery & unpacking:** Your belongings are delivered and unpacked in accordance with your indications.

Leaving China Soon? Don't Forget These 3 Key points

- Unlink your **phone number** from your WeChat account before closing it, or you might lose all your contacts!
- Go through the same process for your **Alipay** account before closing your **bank** one.
- A quick detour via the **police station** as to get your **criminal record**, then via the **Notary of Public Affairs** as to make your official documents lawfully translated: the chosen way to relocate light-hearted.

Relocating to China Soon? Don't Forget These 3 Key points

- Install a **VPN** before coming, as it is harder and harder to download one once on-site. The most popular among expats are Express VPN and Astrill.
- If you have **children**, start searching for **school options in advance** as to avoid not being able to enroll.
- Learn about the **local etiquette** and **business culture** as to avoid committing forgeries.
